NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

W. TAYLER,

The 24th July, 1847.

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark “per Express,” and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark “per Express” on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of “Newspaper Offices” in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked “per Express,” or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked “per Express,” but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 *tolas*, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 *tolas*. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

One Rupee for every letter not exceeding half a tola in weight

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

Produce of Behar Agency,	Chests	1,830
Ditto of Benares ditto,	"	780

Total Chests, ... 2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may

at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion

of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this adver-

tisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

"Art. 6th.—With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned; the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette."

Simla, 8th October 1847.—The Right Hon'ble the Governor General having taken into consideration the rules under which Officers of Mounted Corps are at present permitted to select Chargers, and the difficulty represented to have been experienced by them in obtaining Chargers by private purchase in the market, is pleased to rescind the Regulations published in Government General Orders No. 124 of the 26th June 1837, and No. 37 of 22nd January 1847, and to substitute for them the following revised rules, which are to have effect from this date.

In modifying the Regulations on this subject, the Governor General is desirous of affording the Officers of Horse Artillery and Cavalry every facility, consistent with the interests of Government, of mounting themselves efficiently from the Remounts allotted to Corps, under conditions which will be hereafter specified; but with reference to the additional expense now entailed on the State by retaining the Horses at the Remount Depot at Kurnaul until they are five years old, whereby their value is considered to be proportionably enhanced, the price to be paid for all Stud-bred, Arab or Colonial Remounts, is in future to be seven hundred (700) Rupees.

The Governor General having also taken into consideration the necessity for Officers attached to Light Field Batteries being mounted on parade, is pleased to extend to them the privilege of selecting Chargers from Horses the property of the State. Their selection, however, is limited to the Remounts which join their Batteries, and the price to be paid for each, is the maximum price allowed by Government for their purchase, viz. four hundred (400) Rupees.

1. In the first instance every Officer attached, and doing duty with a Troop of Horse Artillery or Regiment of Cavalry, will be permitted to select from the Remounts of the Regiment, two Horses as Chargers; and the Medical Officers, Veterinary Surgeons and Riding Masters of such Corps, when permanently attached, one Horse of the same description, on the terms hereinafter specified. Selected Chargers now in the possession of Officers are to come under these regulations.

2. In the same manner every European Commissioned Officer attached to Horse Field Batteries, will be allowed to select Chargers from the Remounts which join their Batteries.

3. Horses sent as Remounts from the Dépôt to complete Corps, shall be continued to be considered as such for three months from the date of their joining.

4. When two or more Officers are to select at the same time, the Senior is to have the first choice, but must not be permitted to choose a second Horse till his Junior or Juniors have chosen one.

5 Horses selected as Chargers are always to be branded with the mark of the Regiment, and entered on the Descriptive Roll of the Corps when they are delivered over to the Selecting Officer.

6. No Officer is to be allowed to replace his Charger, from Horses the property of the State, unless the animal was duly entered in the "Register of Officer's Chargers;" and only then in the event of such Charger having died, been killed in action, captured, stolen, lost, shot at the recommendation of a Station or Detachment Committee, or have been reported by such a Committee unfit for further service, from age, vice, disease, or permanent unsoundness. In cases where the Charger has been reported unfit for further service, without being infectiously diseased, his Owner may dispose of him at his discretion.

7. Officers returning from Furlough or re-joining from Staff employ, are permitted to select Chargers, as allowed in Articles 1 and 2, without reference to their having enjoyed that indulgence before they proceeded to Europe, or were detached on Staff employ.

8. Selected Chargers may be exchanged between Officers of the same Corps, with the sanction of the Commanding Officer; or when their full price has been recovered by the Pay Master, may be sold to any Officer of the same Corps entitled to a choice; the purchaser in that case to stand in the place of such choice, and the seller to be allowed to select another Charger.

9. An Officer who finds on trial that he has made an unsuitable selection, may return the Horse to the Ranks and select another from the Regimental Remounts, provided his desire to do so, be made known to the Commanding Officer of the Corps within three months, from the date of selection, and provided the Horse to be returned, be reported by a Regimental Committee, as sound and fit for the Service as when selected.

10. At any time after the lapse of six months, and within twelve from the date of selection, a Charger may, with the permission of the Commanding Officer of the Corps, be returned for the purpose of being placed in the Ranks, if reported by a Regimental Committee to be perfectly fit for the Service; but in such case, the Officer returning the Horse, will not be permitted to choose another in his room, and will merely be entitled to receive back from the Pay Master the full price, or such portion of the price as may have been deducted from his Pay and Allowances.

11. In all cases where an Officer wishes to select a Charger, or to sell, exchange, or place in the Ranks, a selected Charger, he is to make a written application to the Commanding Officer of his Corps, who when necessary, will assemble a Regimental Committee composed of a President, not under the rank of Captain, and two Subalterns as members; the report of proceedings of which are not to be considered complete without his, the Commanding Officer's, countersignature.

12. When Officers are removed from one Brigade of Horse Artillery, Regiment of Cavalry, or Horse Field Battery, to another, they may take

their selected Chargers with them ; and the Horses so transferred are to be erased from the Register of the one Corps and entered in that of the other.

13. The selected Chargers of Officers who may retire from the service, proceed on Furlough to Europe, be nominated to the General Staff, or any other detached permanent employ, or be transferred from the Horse to the Foot Artillery, or from a Horse Field Battery to the Horse Artillery, are not to be sold or taken out of the Regiment, Troop or Battery to which their owners belonged, unless purchasers cannot be found in the Corps, and the Horses be pronounced by a Regimental Committee unfit for admission to the ranks, in which cases they may be disposed of at the discretion of their owners.

14. The terms on which Chargers, the property of the several classes of Officers specified in the foregoing para, are in the first instance to be offered for sale to such Officers of the Corps as are entitled to select Chargers, and in default of purchasers to be tendered for admission to the ranks, are, as follows.

If six years old, full price, and if above six, but not exceeding twelve years, a deduction is to be made at the rate of ten per cent. per annum for the period elapsed since the Horse attained the age of six years.

		Horse Artillery and Cavalry.	Horse Field Battery.
6	Years full price Rupees	700	400
7	630	360
8	560	320
9	490	280
10	420	240
11	350	200
12	280	160

Horses whose age exceeds twelve years, are not to be admitted into the ranks, but may be disposed of at the discretion of the Owners, or their representatives.

15. In the Annual Return furnished on the 1st of October by Officers Commanding Mounted Corps, showing the probable number of Horses that will be required to complete each Corps, a column will be added in which is to be inserted the number of Chargers required by Officers.

16. The price of Chargers selected by Officers, to be realized from their Pay and Allowances by Deputy Pay Masters, in four equal monthly deductions from Field Officers, Captains and Surgeons; and in eight similar deductions from Subalterns, Assistant Surgeons, Veterinary Surgeons and Riding Masters. When an Officer has occasion to select two Horses, double time will be allowed for payment; and in all cases the deductions are to commence with the first issue of Pay after the date of selection.

17. Should an Officer die before the full price of his selected Charger has been recovered, the Horse if reported by a Committee fit in all respects for the service, is to be received into the ranks, and the amount deducted will be refunded by the Deputy Pay Master to the legal representative of the deceased; but if reported unfit for the service, the Horse is to be sold under the orders of the Commanding Officer of the Regiment, who, from the proceeds of the sale, will remit to the Deputy Pay Master the sum remaining due to Govern-

ment. and pay the balance, if any, to the person entitled to receive it.

18 When an Officer has selected and been put in possession of a Charger, he will immediately transmit, in duplicate, a descriptive roll of, and receipt for the Horse selected, to the Officer Commanding the Corps, who having countersigned them, and caused a transcript of them to be entered in the "Register of Officer's Chargers," will transmit one copy to the Deputy Pay Master within whose circle the Corps may be, and the other to the Military Auditor General.

19 The Commanding Officer of the Corps will then direct the Officer in whose Abstract the Pay and Allowances of the individual who selected the Charger are drawn, to insert at the foot of each Abstract, until the necessary deductions shall be completed, a Notification to the following effect:

Deduct from A B's Pay and Allowances Rupees being the first (or as the case may be, 2d, 3d, &c.) monthly deduction on account of a Charger selected by him from the Remount Horses which joined the Corps on the day of 18 .

20. At the close of each year the Military Auditor General will compare the receipts with the amount realized on account of selected Chargers, and will take immediate steps for recovering any sums that may be over due.

Quarterly Returns of Horses selected as Chargers will be furnished regularly to the Adjutant General of the Army, by Officers Commanding Mounted Corps, as directed in General Orders by the Commander in Chief, 14th November 1838.

No. 966 of 1847

General Department

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the *limited weight of two tolas*; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters *exceeding two tolas in weight*, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, *without reference to that limit*, and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.,

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto, the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the pre-

sent Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bonâ fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and

Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

19th.—It is hereby further notified, that under the 6th Article of the convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 80 days after the publication of this advertisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to

be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertised for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

“ Art. 6th.—With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned; the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette.”

By order of the Board of Customs, Salt and Opium,

CECIL BEADON, *Offg. Secy.*

The Calcutta Gazette.

Published by Authority.

3 P. M.—SATURDAY, NOVEMBER 6, 1847.—8 P. M.

*Fort William, Home Department, Legislative, the
6th November 1847.*

The following Extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 6th November 1847, is published for general information :

Read a second time the Draft of a proposed Act dated the 31st October 1846, and published in the *Calcutta Gazette* of the 7th November 1846, to enable the Commissioners who may be appointed under Act — to purchase real or personal property for the improvement of the Town of Calcutta.

Resolution.—The Hon'ble the President in Council resolves that the following amended Draft on the subject be published for general information :

ACT No. — OF 1847.

To enable the Commissioners who may be appointed under Act XVI. of 1847 to purchase and hold real or personal property for the improvement of the Town of Calcutta.

Whereas by Act XVI. of 1847, entitled an Act for constituting Commissioners for the Improvement of the Town of Calcutta, partly by appointment of the Government and partly by election of the Rate-payers, provision was made for the appointment and election of such Commissioners, or in default of election, for the appointment of the whole of such Commissioners.

And whereas it is expedient, that provision should be made to enable such Commissioners to purchase and hold real or personal property for the purposes aforesaid in manner hereinafter mentioned.

And whereas it is probable that benevolent and public spirited individuals, with the view of contributing to the improvement and adornment of the said Town may be desirous of settling real or personal property by Deed or Will upon such Commissioners :

I. It is therefore enacted, that the said Commissioners shall be Trustees for and on behalf of the Government of Fort William in Bengal, and of the inhabitants of Calcutta, and shall sue and be sued at Law and in Equity in Her Majesty's Supreme Court of Judicature at Fort William by the name of the Commissioners for the improvement of the Town of Calcutta, and shall have a common seal, and shall have power to take, purchase and

hold lands, tenements, hereditaments, goods, chattels and other property, as such Trustees for the purposes aforesaid.

II. And it is enacted, that whenever it shall appear to the said Commissioners, or a majority of them, that it is necessary they should purchase any houses, buildings or grounds for the purposes aforesaid, the said Commissioners shall represent the same to the Governor of Bengal, and if he shall consent thereto, but not otherwise, shall enter into treaties for the purchase of such houses, buildings or grounds with the owners thereof, and in case they shall not be able to come to agreement with such owners or the amount of compensation shall not be settled by arbitration as hereinafter provided, then the said Commissioners shall apply to the Sheriff of Calcutta to summon a Jury, and the said Sheriff shall forthwith summon a Jury in manner hereinafter mentioned, to assess the price which the said Commissioners shall pay to the said owner or owners for the purchase of such houses, buildings and grounds with all appurtenances as aforesaid.

III. And whereas it is expedient to make provision for those cases in which the said Commissioners may be able to purchase lands, buildings or tenements by agreement, it is enacted, that it shall and may be lawful for the said Commissioners to agree with the owners of any lands, buildings or tenements by this Act authorized to be taken and which shall be required for the purposes of this Act, and with all parties having any estate or interest in such lands, buildings or tenements, or by this Act, or by any other authority or power enabled to sell and convey the same, for the absolute purchase of any such lands, buildings or tenements, or such parts thereof as they shall think proper, and of all estates and interests in such lands of what kind soever.

IV. And it is enacted, that it shall and may be lawful for all parties being seized, possessed of, or entitled to any such lands, buildings or tenements, or any estate or interest therein, to sell and convey or release the same to the said Commissioners and to enter into all necessary agreements for that purpose, and particularly it shall be lawful for all or any of the following parties so seized, possessed or entitled as aforesaid so to sell, convey or release (that is to say) all corporations, tenants in tail, or for life, married women, seized in their own right or entitled to dower, guardians, com-

mittees of lunatics and idiots, trustees or feoffees in trust for charitable or other purposes, executors and administrators, and all parties for the time being entitled to the receipt of the rents and profits of any such lands in possession, or subject to any estate in dower, or to any lease for life or for lives, or for years, or any less interest, and the power so to sell and convey or release as aforesaid, may lawfully be exercised by all such parties not only on behalf of themselves and their respective Heirs, Executors, Administrators and Successors, but also for and on behalf of every person entitled in reversion, remainder or expectancy after them, or in defeasance of the estates of such parties, and as to such married women whether they be of full age or not as if they were sole and of full age, and as to such guardians on behalf of their wards, and as to such committee on behalf of the lunatics and idiots of whom they are the committees respectively, and that to the same extent as such wives, wards, lunatics and idiots respectively could have exercised the same power under the authority of this Act if they had respectively been under no disability, and as to such Trustees, Executors and Administrators on behalf of their cestui-que trusts whether infants, issue unborn, lunatics, femmes covert or other persons, and that to the same extent as such cestui-que trusts respectively could have exercised the same powers under the authority of this Act if they had respectively been under no disability.

V. And it is enacted, that the purchase money, consideration, or compensation to be paid or given for any lands, buildings or tenements to be purchased or taken from any party under any disability or incapacity, and not having any power to sell or convey such lands except under the provisions of this Act, and the compensation to be paid for any permanent damage or injury to any such lands, buildings or tenements, shall in all cases be determined by the verdict of a jury to be summoned as hereinafter provided.

VI. And it is enacted, that it shall be lawful for any person seized in fee or entitled absolutely for his own benefit to any lands, buildings or tenements authorized to be purchased for the purposes of this Act to sell and convey such lands, buildings or tenements, or any part thereof, unto the said Commissioners in consideration of an annual rent-charge payable by the said Commissioners, but except as aforesaid the consideration to be paid for the purchase of any such lands, buildings or tenements, or for any damage done thereto, shall be in a gross sum.

VII. And it is enacted, that the yearly rent reserved by any conveyance of lands, buildings or tenements purchased by the said Commissioners for the purposes of this Act shall be charged on the rates hereinafter authorized to be raised and levied, and shall be paid by the said Commissioners as such rents become payable, and if at any time any such rents be not paid within thirty days after they so become payable, and after demand thereof in writing, the person to whom any such rent shall be payable, may recover the same from the said Commissioners with costs of suit by action of debt in the said Supreme Court.

VIII. And it is enacted, that when the said Commissioners shall require to purchase or take any of the lands, buildings or tenements which by this Act they are authorized to purchase or take, they shall give notice thereof to all the parties interested in such lands, or to the parties enabled by this Act to sell and convey or release the same

or such of the said parties as shall after diligent inquiry be known to the said Commissioners, and by such notice shall demand from such parties the particulars of their estate and interest in such lands and of the claims made by them in respect thereof, and every such notice shall state the particulars of the lands so required, and that the said Commissioners are willing to treat for the purchase thereof, and as to the compensation to be made to all parties for the damage that may be sustained by them by reason of the execution of the works.

IX. And it is enacted, that all notices required to be served by the said Commissioners upon the parties interested in or entitled to sell any such lands, buildings or tenements shall either be served personally on such parties, or left at their last usual place of abode if any such can after diligent inquiry be found, and in case any such parties shall be absent from the said Town or cannot be found after diligent inquiry, such notices shall be left with the occupier of such lands, or if there be no such occupier shall be affixed upon some conspicuous part of such lands.

X. And it is enacted, that if the party claiming compensation desire to have the same settled by arbitration, and signify such desire by notice in writing to the said Commissioners before they have issued their warrant to the Sheriff to summon a jury in respect of such lands under the provisions hereinafter contained, stating in such notice the nature of the interest in respect of which such party claims compensation, and the amount of the compensation so claimed the same shall be so settled by arbitration accordingly, but unless the party claiming compensation shall as aforesaid signify his desire to have the question of such compensation settled by arbitration, or if when the matter shall have been referred to arbitration the arbitrators or the umpire shall for three months have failed to make their or his award, or if no final award shall be made, the question of such compensation shall be settled by the verdict of a jury as hereinafter provided.

XI. And it is enacted, that when any question of disputed compensation by this Act authorized or required to be settled by arbitration, shall have arisen then unless both parties shall concur in the appointment of a single arbitrator, each party on the request of the other party shall nominate and appoint an arbitrator to which two arbitrators such dispute shall be referred, and every appointment of an arbitrator shall be made on the part of the said Commissioners under the hands of two of the said Commissioners, or of their Clerk duly authorized by such two Commissioners, and on the part of any other party under the hand of such party, or if such party be a corporation aggregate under the common seal of such corporation, and such appointment shall be delivered to the arbitrator or arbitrators, and shall be deemed a submission to arbitration on the part of the party by whom the same shall be made, and after any such appointment shall have been made neither party shall have power to revoke the same without the consent of the other, nor shall the death of either party operate as a revocation, and if after any such dispute shall have arisen and after a request in writing in which shall be stated the matter so required to be referred to arbitration, shall have been served by the one party on the other party to appoint an arbitrator, such last mentioned party fail within fourteen days after such service to appoint such arbitrator, then

upon such failure the party making the request, and having himself appointed an arbitrator may appoint such arbitrator to act on behalf of both parties, and such arbitrator may proceed to hear and determine the matters which shall be in dispute, and in such case the award or determination of such single arbitrator shall be final.

XII. And it is enacted, that if before the matters so referred shall be determined, any arbitrator appointed by either party shall die or become incapable to act, the party by whom such arbitrator was appointed may nominate and appoint in writing some other person to act in his place, and if for the space of seven days after notice in writing from the other party for that purpose he shall fail to do so, the remaining or other arbitrator may proceed to hear and determine the matters which shall be in dispute, and every arbitrator who shall be so substituted as aforesaid shall have the same power and authorities as were vested in the former arbitrator at the time of such his death or disability aforesaid.

XIII. And it is enacted, that where more than one arbitrator shall have been appointed such arbitrators shall before they enter upon the matters referred to them, nominate and appoint by writing under their hands an umpire to decide on any such matters on which they shall defer, or which shall be referred to him under the provisions of this Act, and if such umpire shall die or become incapable to act, they shall forthwith after such death or incapacity appoint another umpire in his place, and the decision of every such umpire on the matters so referred to him shall be final.

XIV. And it is enacted, that if in either of the cases aforesaid the said arbitrators shall refuse, or shall for seven days after request of either party to such arbitration, neglect to appoint an umpire, any two of the Magistrates of Calcutta shall on the application of either party to such arbitration appoint an umpire, and the decision of such umpire on the matters on which the arbitrators shall differ or which shall be referred to him under this Act shall be final.

XV. And it is enacted, that when a single arbitrator shall have been appointed as hereinbefore provided, and such arbitrator shall die or become incapable to act before he shall have made his award, the matters referred to him shall be determined by arbitrators under the provisions of this Act in the same manner as if such arbitrator had not been appointed.

XVI. And it is enacted, that if where more than one arbitrator shall have been appointed either of the arbitrators refuse, or for seven days after the day of his appointment shall neglect to act, the other arbitrator may proceed to hear and determine the matters in dispute, and the decision of such other arbitrator shall be as effectual as if he had been the single arbitrator appointed by both parties.

XVII. And it is enacted, that if where more than one arbitrator shall have been appointed and where neither of them shall refuse or neglect to act as aforesaid, but such arbitrators shall fail to make their award within twenty-one days after the day on which the last of such arbitrators shall have been appointed, or within such extended time, (if any) as shall have been appointed for that purpose by both such arbitrators under their hands, the matters referred to them shall be determined by the umpire to be appointed as aforesaid.

XVIII. And it is enacted, that the said arbitrators or their umpire may call for the production of any documents in the possession or power of either party which they or he may think necessary for determining the question in dispute, and may examine the parties or their witnesses on oath or solemn affirmation, and administer the oaths and solemn affirmation necessary for that purpose.

XIX. And it is enacted, that before any such arbitrator or umpire as aforesaid shall enter into the consideration of any matters referred to him he shall in the presence of a Magistrate of Calcutta make and subscribe the following declaration, that is to say—

I, A. B. do solemnly and sincerely declare that I will faithfully and honestly to the best of my skill and ability hear and determine the matters referred to me under the provisions of the Act ()

XX. And it is enacted, that all the costs of any such arbitration and incident thereto, shall be settled by the said arbitrators and shall be borne by the said Commissioners, unless the arbitrators shall award the same or a less sum than shall have been offered by the said Commissioners in which case each party shall bear their own costs incident to the said arbitration, and the costs of the said arbitrators shall be borne by the parties in equal proportions.

XXI. And it is enacted, that the said arbitrators or the said umpire, as the case may be, shall deliver their award in writing to the said Commissioners, and the said Commissioners shall retain the same, and on demand made at the office of their Clerk shall forthwith at their own expense furnish a copy thereof to the other party to the arbitration, and shall at all reasonable times when thereunto required produce the said award and allow the same to be inspected or examined at the office of their said Clerk by such party or any person appointed by him for that purpose.

XXII. And it is enacted, that the submission to any such arbitration as aforesaid may be made a rule of the said Supreme Court on the application of either or any party thereto, and may be enforced against all necessary parties by any rule, order or decree of the said Court notwithstanding that any or either of the said parties are not otherwise subject to the jurisdiction of the said Court.

XXIII. And it is enacted, that no award made with respect to any question referred to arbitration under the provisions of this Act shall be set aside for irregularity or error in matter of form.

XXIV. And it is enacted, that in every case in which a dispute or difference shall arise between the said Commissioners, and any person or persons whose property they may intend or desire to purchase for the purposes of this Act as to the amount of compensation to be paid for the said property which difference and dispute either of the said parties shall refuse to settle by arbitration the said Commissioners shall issue a warrant in writing signed by any one of them and sealed with their common seal to the Sheriff of Calcutta, requiring him to

mittees of lunatics and idiots, trustees or feofees in trust for charitable or other purposes, executors and administrators, and all parties for the time being entitled to the receipt of the rents and profits of any such lands in possession, or subject to any estate in dower, or to any lease for life or for lives, or for years, or any less interest, and the power so to sell and convey or release as aforesaid, may lawfully be exercised by all such parties not only on behalf of themselves and their respective Heirs, Executors, Administrators and Successors, but also for and on behalf of every person entitled in reversion, remainder or expectancy after them, or in defeasance of the estates of such parties, and as to such married women whether they be of full age or not as if they were sole and of full age, and as to such guardians on behalf of their wards, and as to such committee on behalf of the lunatics and idiots of whom they are the committees respectively, and that to the same extent as such wives, wards, lunatics and idiots respectively could have exercised the same power under the authority of this Act if they had respectively been under no disability, and as to such Trustees, Executors and Administrators on behalf of their cestui-que trusts whether infants, issue unborn, lunatics, femes covert or other persons, and that to the same extent as such cestui-que trusts respectively could have exercised the same powers under the authority of this Act if they had respectively been under no disability.

V. And it is enacted, that the purchase money, consideration, or compensation to be paid or given for any lands, buildings or tenements to be purchased or taken from any party under any disability or incapacity, and not having any power to sell or convey such lands except under the provisions of this Act, and the compensation to be paid for any permanent damage or injury to any such lands, buildings or tenements, shall in all cases be determined by the verdict of a jury to be summoned as hereinafter provided.

VI. And it is enacted, that it shall be lawful for any person seized in fee or entitled absolutely for his own benefit to any lands, buildings or tenements authorized to be purchased for the purposes of this Act to sell and convey such lands, buildings or tenements, or any part thereof, unto the said Commissioners in consideration of an annual rent-charge payable by the said Commissioners, but except as aforesaid the consideration to be paid for the purchase of any such lands, buildings or tenements, or for any damage done thereto, shall be in a gross sum.

VII. And it is enacted, that the yearly rent reserved by any conveyance of lands, buildings or tenements purchased by the said Commissioners for the purposes of this Act shall be charged on the rates hereinafter authorized to be raised and levied, and shall be paid by the said Commissioners as such rents become payable, and if at any time any such rents be not paid within thirty days after they so become payable, and after demand thereof in writing, the person to whom any such rent shall be payable, may recover the same from the said Commissioners with costs of suit by action of debt in the said Supreme Court.

VIII. And it is enacted, that when the said Commissioners shall require to purchase or take any of the lands, buildings or tenements which by this Act they are authorized to purchase or take, they shall give notice thereof to all the parties interested in such lands, or to the parties enabled by this Act to sell and convey or release the same

or such of the said parties as shall after diligent inquiry be known to the said Commissioners, and by such notice shall demand from such parties the particulars of their estate and interest in such lands and of the claims made by them in respect thereof, and every such notice shall state the particulars of the lands so required, and that the said Commissioners are willing to treat for the purchase thereof, and as to the compensation to be made to all parties for the damage that may be sustained by them by reason of the execution of the works.

IX. And it is enacted, that all notices required to be served by the said Commissioners upon the parties interested in or entitled to sell any such lands, buildings or tenements shall either be served personally on such parties, or left at their last usual place of abode if any such can after diligent inquiry be found, and in case any such parties shall be absent from the said Town or cannot be found after diligent inquiry, such notices shall be left with the occupier of such lands, or if there be no such occupier shall be affixed upon some conspicuous part of such lands.

XI. And it is enacted, that when any question of disputed compensation by this Act authorized or required to be settled by arbitration, shall have arisen then unless both parties shall concur in the appointment of a single arbitrator, each party on the request of the other party shall nominate and appoint an arbitrator to which two arbitrators such dispute shall be referred, and every appointment of an arbitrator shall be made on the part of the said Commissioners under the hands of two of the said Commissioners, or of their Clerk duly authorized by such two Commissioners, and on the part of any other party under the hand of such party, or if such party be a corporation aggregate under the common seal of such corporation, and such appointment shall be delivered to the arbitrator or arbitrators, and shall be deemed a submission to arbitration on the part of the party by whom the same shall be made, and after any such appointment shall have been made neither party shall have power to revoke the same without the consent of the other, nor shall the death of either party operate as a revocation, and if after any such dispute shall have arisen and after a request in writing in which shall be stated the matter so required to be referred to arbitration, shall have been served by the one party on the other party to appoint an arbitrator, such last mentioned party fail within fourteen days after such service to appoint such arbitrator, then

upon such failure the party making the request, and having himself appointed an arbitrator may appoint such arbitrator to act on behalf of both parties, and such arbitrator may proceed to hear and determine the matters which shall be in dispute, and in such case the award or determination of such single arbitrator shall be final.

XII. And it is enacted, that if before the matters so referred shall be determined, any arbitrator appointed by either party shall die or become incapable to act, the party by whom such arbitrator was appointed may nominate and appoint in writing some other person to act in his place, and if for the space of seven days after notice in writing from the other party for that purpose he shall fail to do so, the remaining or other arbitrator may proceed to hear and determine the matters which shall be in dispute, and every arbitrator who shall be so substituted as aforesaid shall have the same power and authorities as were vested in the former arbitrator at the time of such his death or disability aforesaid.

XIII. And it is enacted, that where more than one arbitrator shall have been appointed such arbitrators shall before they enter upon the matters referred to them, nominate and appoint by writing under their hands an umpire to decide on any such matters on which they shall defer, or which shall be referred to him under the provisions of this Act, and if such umpire shall die or become incapable to act, they shall forthwith after such death or incapacity appoint another umpire in his place, and the decision of every such umpire on the matters so referred to him shall be final.

XIV. And it is enacted, that if in either of the cases aforesaid the said arbitrators shall refuse, or shall for seven days after request of either party to such arbitration, neglect to appoint an umpire, any two of the Magistrates of Calcutta shall on the application of either party to such arbitration appoint an umpire, and the decision of such umpire on the matters on which the arbitrators shall differ or which shall be referred to him under this Act shall be final.

XV. And it is enacted, that when a single arbitrator shall have been appointed as hereinbefore provided, and such arbitrator shall die or become incapable to act before he shall have made his award, the matters referred to him shall be determined by arbitrators under the provisions of this Act in the same manner as if such arbitrator had not been appointed.

XVI. And it is enacted, that if where more than one arbitrator shall have been appointed either of the arbitrators refuse, or for seven days after the day of his appointment shall neglect to act, the other arbitrator may proceed to hear and determine the matters in dispute, and the decision of such other arbitrator shall be as effectual as if he had been the single arbitrator appointed by both parties.

XVII. And it is enacted, that if where more than one arbitrator shall have been appointed and where neither of them shall refuse or neglect to act as aforesaid, but such arbitrators shall fail to make their award within twenty-one days after the day on which the last of such arbitrators shall have been appointed, or within such extended time, (if any) as shall have been appointed for that purpose by both such arbitrators under their hands, the matters referred to them shall be determined by the umpire to be appointed as aforesaid.

XVIII. And it is enacted, that the said arbitrators or their umpire may call for the production of any documents in the possession or power of either party which they or he may think necessary for determining the question in dispute, and may examine the parties or their witnesses on oath or solemn affirmation, and administer the oaths and solemn affirmation necessary for that purpose.

XIX. And it is enacted, that before any such arbitrator or umpire as aforesaid shall enter into the consideration of any matters referred to him he shall in the presence of a Magistrate of Calcutta make and subscribe the following declaration, that is to say—

And such declaration shall be annexed to the award when made, and if any arbitrator or umpire having made such declaration shall wilfully act contrary thereto, he shall be deemed guilty of a misdemeanour.

XX. And it is enacted, that all the costs of any such arbitration and incident thereto, shall be settled by the said arbitrators and shall be borne by the said Commissioners, unless the arbitrators shall award the same or a less sum than shall have been offered by the said Commissioners in which case each party shall bear their own costs incident to the said arbitration, and the costs of the said arbitrators shall be borne by the parties in equal proportions.

XXI. And it is enacted, that the said arbitrators or the said umpire, as the case may be, shall deliver their award in writing to the said Commissioners, and the said Commissioners shall retain the same, and on demand made at the office of their Clerk shall forthwith at their own expense furnish a copy thereof to the other party to the arbitration, and shall at all reasonable times when thereunto required produce the said award and allow the same to be inspected or examined at the office of their said Clerk by such party or any person appointed by him for that purpose.

XXII. And it is enacted, that the submission to any such arbitration as aforesaid may be made a rule of the said Supreme Court on the application of either or any party thereto, and may be enforced against all necessary parties by any rule, order or decree of the said Court notwithstanding that any or either of the said parties are not otherwise subject to the jurisdiction of the said Court.

XXIII. And it is enacted, that no award made with respect to any question referred to arbitration under the provisions of this Act shall be set aside for irregularity or error in matter of form.

XXIV. And it is enacted, that in every case in which a dispute or difference shall arise between the said Commissioners, and any person or persons whose property they may intend or desire to purchase for the purposes of this Act as to the amount of compensation to be paid for the said property which difference and dispute either of the said parties shall refuse to settle by arbitration the said Commissioners shall issue a warrant in writing signed by any one of them and sealed with their common seal to the Sheriff of Calcutta, requiring him to

summon a jury for the purpose of settling the said difference or dispute, and if such Sheriff be interested in the matter in dispute such warrant shall be addressed and sent to the Coroner of Calcutta, and if the said Sheriff and the said Coroner be both of them interested in the said matter then the said warrant shall be addressed and sent to the last person who shall have filled the office of Sheriff of Calcutta who is not interested in the said matter, and who is at the time of the issuing the said warrant an inhabitant of the said Town of Calcutta, and every such Sheriff, Coroner, or Ex-Sheriff shall have power if he think fit to appoint a Deputy or Assessor.

XXV. And it is enacted, that throughout the enactments contained in this Act relative to a reference to a jury where the term Sheriff is used the provisions applicable thereto shall be held to apply to every Coroner or other person lawfully acting in the place of the Sheriff, and in every case in which any such warrant as aforesaid shall have been directed to any other person than the said Sheriff of Calcutta, such Sheriff shall immediately on receiving notice of the delivery of the warrant on application being made to him for that purpose deliver over to the person to whom the said warrant shall have been directed, or to any other fit and proper person appointed by him to receive the same the Jurors' book and Special Jurors' list for the Town of Calcutta.

XXVI. And it is enacted, that upon the receipt of such warrant as aforesaid the Sheriff shall summon a jury of ten indifferent persons duly qualified to act as common jurymen in Her Majesty's Supreme Court of Judicature aforesaid, to meet at a convenient time and place to be appointed by him for that purpose, such time not being less than fourteen nor more than twenty-one days after the receipt of such warrant, and such place not being more than miles from the lands, buildings or tenements concerning and relating to which the said difference or dispute shall have arisen unless by consent of the parties interested some other time and place be agreed upon and settled, and the said Sheriff shall forthwith give notice to the said Commissioners of the time and place so appointed by him.

XXVII. And it is enacted, that out of and from the number of jurors appearing upon such summons as aforesaid, a jury of five persons shall be drawn by the said Sheriff in such manner and form as juries for trials of offences before the said Supreme Court are by the rules and orders of the said Court required to be drawn, and if a sufficient number of the jurymen so summoned as aforesaid do not appear in obedience to such summons as aforesaid the Sheriff shall return other indifferent men duly qualified as aforesaid of the bystanders or others that can speedily be procured to make up the jury to the said number of five persons, and the said Commissioners and all other parties interested in the said lands, buildings or tenements may have and make their challenges against any of the said jurymen according to the course and practice of the said Supreme Court, but neither the said Commissioners nor any of the said parties interested as aforesaid shall challenge the array.

XXVIII. And it is enacted, that in every such inquiry as aforesaid the said Sheriff shall preside, and the party or parties claiming compensation from the said Commissioners shall be deemed the plaintiff or plaintiffs as the case may be, and shall have all such rights and privileges as the

plaintiff is entitled to in the trial of actions at law in the Court of Queen's Bench at Westminster, and if the said Commissioners or any person interested in the said lands, buildings or tenements so request in writing the said Sheriff shall summon before him, any person who shall by the said Commissioners, or any person interested as aforesaid be considered necessary to be examined as a witness touching the matters in question, and on the like request the said Sheriff shall order the said jury to view the place or matter in controversy in like manner as views may be had in the trial of actions at law in the Court of Queen's Bench at Westminster.

XXIX. And it is enacted, that if the said Sheriff make default in any matter hereinbefore required to be done by him in relation to any such trial or inquiry as aforesaid he shall forfeit and pay the sum of Five Hundred Rupees for every such offence, and such penalty shall be recoverable by the said Commissioners by an action of debt or on the case in the said Supreme Court, and if any person summoned and returned upon any jury under this Act, whether common or special, do not appear, or if appearing do refuse to make such lawful oath or affirmation as the said Sheriff may require, or in any other manner wilfully neglect his duty, he shall unless he shew reasonable excuse for the said default or neglect to the satisfaction of the said Sheriff forfeit a sum not exceeding One Hundred Rupees, and every such penalty as aforesaid payable by a Sheriff or jurymen as aforesaid shall be applied in satisfaction of the costs of the said inquiry so far as the same will extend, and in addition to the penalty hereby imposed as aforesaid every such jurymen shall in all respects be subject to the same regulations, pains and penalties as if such jury were returned for a trial in the said Supreme Court.

XXX. And it is enacted, that if any person who shall have been duly summoned to give evidence upon any such enquiry, and to whom a tender of his reasonable expenses shall have been made fail to appear at the time and place specified in the summons without sufficient cause, or if any person whether summoned or not who shall appear as a witness on any such inquiry refuse to be examined on oath or affirmation touching the subject matter in dispute every person so offending shall forfeit and pay to the party aggrieved thereby a sum not exceeding One Hundred Rupees, and that any person examined on oath or affirmation touching the subject matter in dispute who shall wilfully and falsely state any matter which if wilfully and falsely stated by such person in any Court of Justice in which such subject matter might be in dispute, would amount to wilful and corrupt perjury, shall be guilty of wilful and corrupt perjury.

XXXI. And it is enacted, that the said Commissioners shall give to all parties interested in any lands, buildings, or tenements concerning or relating to which an inquiry hath been appointed to be held by the said Sheriff notice of the time and place of such inquiry, not less than ten days before the same is to be held, and the said notice shall be in writing, and shall be served on each of the said parties personally or left at his last known place of abode in the said Town, or if he have no such place of abode then the said notice of every such person shall be twice publicly advertised in one or more of the Newspapers published within the said Town.

XXXII. And it is enacted, that if at any such inquiry any party claiming compensation shall fail

to appear in person or by his Counsel or Agent, such inquiry shall not be proceeded with so far as concerns the compensation claimed by such absent party, but the compensation to be paid by the said Commissioners to such absent party shall be settled and determined by a Surveyor to be named and appointed by any two of the Magistrates of Calcutta without prejudice to such inquiry then and there proceeding before such Sheriff so far as concerns any compensation claimed by any other party or parties interested in such compensation in respect of the same premises who shall so appear.

XXXIII. And it is enacted, that before any jury shall proceed on any such inquiry as aforesaid to inquire of and assess compensation or damages in respect of which their verdict is to be given they shall make oath, or if they object to make oath they shall make a solemn affirmation that they will truly and faithfully enquire of and assess such compensation or damages, and the said Sheriff shall administer such oaths and affirmations as well as the oaths and affirmations of all persons called upon to give evidence.

XXXIV. And it is enacted, that where such inquiry aforesaid shall relate to the value of any lands, buildings, or tenements to be purchased, and also to compensation claimed for injury done or to be done to any other lands, buildings, or tenements held therewith the jury shall deliver their verdict separately for the sum of money to be paid for the purchase of the lands, buildings, or tenements required by the said Commissioners, or of any interest therein belonging to the party or parties with whom the question of disputed compensation shall have arisen, or which under the provisions herein contained he is enabled to sell or convey, and for the sum of money to be paid by way of compensation for the damage if any sustained or to be sustained by the said party or parties by reason of the severing of the lands, buildings, or tenements, taken from the other lands, buildings, or tenements of the said party or parties, or otherwise injuriously affecting such last mentioned lands, buildings, or tenements by the exercise of the powers conferred by this Act.

XXXV. And it is enacted, that the Sheriff before whom such inquiry as aforesaid shall be held shall give judgment for the purchase money or compensation assessed by such jury as aforesaid, and the verdict and judgment shall thereupon be signed by such Sheriff, and being so signed shall be delivered to and kept by the Keeper of the Records in the said Supreme Court among the Records of the said Supreme Court, and such verdicts and judgments shall be deemed Records, and the same or true copies or exemplifications thereof shall be good evidence in all Courts and elsewhere, and all persons may inspect the said verdicts and judgments, and may have copies or exemplifications thereof, or extracts therefrom, on paying for each inspection of any such verdict and judgment the sum of Eight Annas, and for every one hundred words copied or extracted therefrom Four Annas, which copies, exemplifications or extracts the said Keeper of the Records is hereby required to make out and sign and certify the same to be true.

XXXVI. And it is enacted, that on every such inquiry before a jury as aforesaid where the verdict of the jury shall be given for a greater sum than the sum previously offered by the said Commissioners all the costs of such inquiry shall be borne by the said Commissioners, but if the verdict of the jury shall be for the same or less sum than the sum previously offered by the said Commissioners one-half of the costs of summoning, im-

panelling and returning the jury, and of taking the inquiry and recording the verdict and judgment thereon shall be defrayed by the parties claiming the said compensation or purchase money, and the other half by the said Commissioners, and each party shall bear his own costs other than as aforesaid incident to such inquiry.

XXXVII. And it is enacted, that the costs of any such inquiry as aforesaid shall in case of differences arising regarding the same be settled by the Taxing Officer of the said Supreme Court on the application of either party, and such costs shall include all reasonable costs, charges and expenses incurred in summoning, returning and impanelling the jury taking the enquiry, the attendance of witnesses, the employment of Counsel and Attornies, the recording the verdict and judgment thereon and otherwise incident to such inquiry.

XXXVIII. And it is enacted, that if any such costs shall be payable by the said Commissioners, and if within seven days after demand duly made at the Office of the Clerk of the said Commissioners such costs be not paid to the party entitled to receive the same they may and shall be recoverable by distress, and on application to any Magistrate of Calcutta he shall issue his warrant accordingly, and if any such costs shall be payable by the owner of any lands, buildings, or tenements, or of any interest therein the same may be deducted and retained by the said Commissioners out of any money awarded by the jury to such owner or determined by the valuation of a Surveyor under the provision hereinafter contained, and the payment or deposit of the remainder, if any, of such money shall be deemed payment and satisfaction of the whole thereof, or if such costs shall exceed the amount of the money so awarded or determined the excess may and shall be recoverable by distress, and on application to any Magistrate of Calcutta he shall issue his warrant accordingly.

XXXIX. And it is enacted, that if either party in such case of disputed compensation as aforesaid desire such question to be tried before a special jury, such question shall be so tried, provided that notice of such desire if given by the other party be given to the said Commissioners before they have issued their warrant as aforesaid to the Sheriff, and for that purpose the said Commissioners shall by their warrant to the Sheriff require him to nominate a special jury of five jurors for such trial, and thereupon the Sheriff shall as soon as conveniently may be after the receipt by him of such warrant summon the said Commissioners, and the said other party to appear before him by themselves or their Attornies at some convenient time and place to be appointed by him for the purpose of nominating a special jury (not being less than five nor more than eight days from the service of such summons) and at the time and place so appointed the said Sheriff shall proceed to nominate and strike a special jury in the manner in which such juries shall be required by the Rules and Orders of the said Supreme Court for trials in the said Court, except as far as such Rules may be inconsistent with the number of which the juries under this Act are to consist, and the said Sheriff shall appoint a day not later than the eighth day after the striking of such jury for the parties or their agents to appear before him to reduce the number of such jury, and thereof shall give four days notice to the said Commissioners, and the said other party, and on the day so appointed the Sheriff shall proceed to reduce the said special jury to the number of eight in the manner used and accustomed in the said Supreme Court.

XL. And it is enacted, that the special jury on such inquiry as last aforesaid shall consist of five of the said eight who shall first appear on the names being called over, the said Commissioners and the said other party having respectively their lawful challenges against any of the said jurymen, and if a full jury of five do not appear and if after such challenges a full jury of five do not remain then upon the application of the said Commissioners or of the said other party, the Sheriff shall add to the list of such jury the names of any other disinterested persons qualified to act as special or common jurymen in the said Supreme Court who shall not have been previously struck off the aforesaid list, and who may be then in attendance before the said Sheriff, or can speedily be procured so as to complete such special jury, the said Commissioners and the said other party having respectively their lawful challenges against such persons, and the Sheriff shall proceed to the trial and adjudication of the matters in question by such jury, and such trial shall be attended in all respects with the like incidents and consequences, and the like penalties shall be applicable as hereinbefore provided in the case of a trial by a common jury.

XLI. And it is enacted, that any other inquiry than that for the trial of which such special jury may have been struck and reduced as aforesaid may be tried by such jury provided the said Commissioners and all the other parties interested therein respectively shall give their consent to such trial.

XLII. General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the limited weight of two tolas; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith, that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, without reference to that limit, and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

Ditto of Benares ditto,	„ 780

Total Chests, ... 2,610

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price; except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'Clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne

and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'Clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here

described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit for each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the fol-

lowing quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned, the entire quantity of about 31,315 Chests of Behar and Benares at above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

SUPPLEMENT TO
The Calcutta Gazette.

Published by Authority.

WEDNESDAY, NOVEMBER 10, 1847.

*Fort William, Home Department, Legislative, the
6th November 1847.*

The following Extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 6th November 1847, is published for general information:

Read a second time the Draft of a proposed Act dated the 31st October 1846, and published in the *Calcutta Gazette* of the 7th November 1846, to enable the Commissioners who may be appointed under Act — to purchase real or personal property for the improvement of the Town of Calcutta.

Resolution.—The Hon'ble the President in Council resolves that the following amended Draft on the subject be published for general information:

ACT No. — OF 1847.

To enable the Commissioners who may be appointed under Act XVI. of 1847 to purchase and hold real or personal property for the improvement of the Town of Calcutta.

Whereas by Act XVI. of 1847, entitled an Act for constituting Commissioners for the Improvement of the Town of Calcutta, partly by appointment of the Government and partly by election of the Rate-payers, provision was made for the appointment and election of such Commissioners, or in default of election, for the appointment of the whole of such Commissioners.

And whereas it is expedient, that provision should be made to enable such Commissioners to purchase and hold real or personal property for the purposes aforesaid in manner hereinafter mentioned.

And whereas it is probable that benevolent and public spirited individuals, with the view of contributing to the improvement and adornment of the said Town may be desirous of settling real or personal property by Deed or Will upon such Commissioners:

I. It is therefore enacted, that the said Commissioners shall be Trustees for and on behalf of the Government of Fort William in Bengal, and of the inhabitants of Calcutta, and shall sue and be sued at Law and in Equity in Her Majesty's Supreme Court of Judicature at Fort William by the name of the Commissioners for the improvement of the Town of Calcutta, and shall have a common seal, and shall have power to take, purchase and

hold lands, tenements, hereditaments, goods, chattels and other property, as such Trustees for the purposes aforesaid.

II. And it is enacted, that whenever it shall appear to the said Commissioners, or a majority of them, that it is necessary they should purchase any houses, buildings or grounds for the purposes aforesaid, the said Commissioners shall represent the same to the Governor of Bengal, and if he shall consent thereto, but not otherwise, shall enter into treaties for the purchase of such houses, buildings or grounds with the owners thereof, and in case they shall not be able to come to agreement with such owners or the amount of compensation shall not be settled by arbitration as hereinafter provided, then the said Commissioners shall apply to the Sheriff of Calcutta to summon a Jury, and the said Sheriff shall forthwith summon a Jury in manner hereinafter mentioned, to assess the price which the said Commissioners shall pay to the said owner or owners for the purchase of such houses, buildings and grounds with all appurtenances as aforesaid.

III. And whereas it is expedient to make provision for those cases in which the said Commissioners may be able to purchase lands, buildings or tenements by agreement, it is enacted, that it shall and may be lawful for the said Commissioners to agree with the owners of any lands, buildings or tenements by this Act authorized, to be taken and which shall be required for the purposes of this Act, and with all parties having any estate or interest in such lands, buildings or tenements, or by this Act, or by any other authority or power enabled to sell and convey the same, for the absolute purchase of any such lands, buildings or tenements, or such parts thereof as they shall think proper, and of all estates and interests in such lands of what kind soever.

IV. And it is enacted, that it shall and may be lawful for all parties being seized, possessed of, or entitled to any such lands, buildings or tenements, or any estate or interest therein, to sell and convey or release the same to the said Commissioners and to enter into all necessary agreements for that purpose, and particularly it shall be lawful for all or any of the following parties so seized, possessed or entitled as aforesaid so to sell, convey or release (that is to say) all corporations, tenants in tail, or for life, married women, seized in their own right or entitled to dower, guardians, com-

XLIX. And it is enacted, that if the arbitrators shall award a further sum to be paid or deposited by the said Commissioners they shall pay or deposit, as the case may require, such further sum within fourteen days after the making of such award, or in default thereof the same may be recovered with costs by action or suit in the said Supreme Court.

Resolution.—The Lieutenant Governor has reason to believe that the Orders of Government to

"Para. 3. It is on general grounds, incompatible with the strict control, which it is the primary object of the Regulation to establish on the part of the Magistrates over the Ferries, that engagements should be made with an individual for more than one Ferry, or a longer period than one year. You are therefore requested to issue instructions, that engagements should be taken from different persons for each Ferry, and in no instance for a longer period than one year."

the several Commissioners of Circuit, dated the 27th September 1831, on the subject of leasing Ferries, as quoted in the margin; have lately been overlooked, and therefore considers it desirable that the attention of Magistrates should again be drawn to them. At the same time His Honor conceives that cases may arise in which it will be advantageous to relax the restrictions contained in those orders against the leasing of more than one Ferry to one person, or the granting leases for a longer period than one year, His Honor is therefore pleased to resolve that, whenever a Magistrate may be desirous of obtaining exemption in any case from the restrictions above noticed, he shall make a special report on the subject to Government, through the Commissioner of the Division, and be guided by the orders which he may receive.

Ordered, that the above Resolution be published in the Gazette, for general information.

The 24th July, 1847.

No. 966 of 1847.

General Department.

To W. TAYLER, Esquire,

Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the limited weight of two tolas; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail.) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally vary nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, without reference to that limit, and shall continue the practice until

I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to

this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupoise.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertised, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of reservation in which the Drug has kept.

17th.—Any further information respecting weight and quality of the Opium advertized for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board ascertain or recognize any claim to compensation for loss from any alleged deficiency of weight, subtraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the fol-

lowing quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below:

" mined by the average rate at which Opium shall
" have been sold at every such periodical Sale, it
" being understood that if the quantity of Opium
" applied for at any one time shall not be taken
" on account of the French Government by the
" Agents of His Most Christian Majesty within

" the usual period of delivery, the quantity so
" applied for shall nevertheless be considered as
" so much in reduction of the three hundred
" Chests herein before-mentioned; the requisitions
" for Opium as aforesaid are to be addressed to
" the Governor General at Calcutta, within thirty
" days after notice of the intended Sales shall
" have been published in the Government Gazette."

SUPPLEMENT TO
The Calcutta Gazette.

Published by Authority.

SATURDAY, NOVEMBER 13, 1847.

*Fort William, Home Department, Legislative, the
6th November 1847.*

The following Extract from the proceedings of the Hon'ble the President of the Council of India in Council, in the Legislative branch of the Home Department, under date the 6th November 1847, is published for general information :

Read a second time the Draft of a proposed Act dated the 31st October 1846, and published in the *Calcutta Gazette* of the 7th November 1846, to enable the Commissioners who may be appointed under Act — to purchase real or personal property for the improvement of the Town of Calcutta.

Resolution.—The Hon'ble the President in Council resolves that the following amended Draft on the subject be published for general information :

ACT No. — OF 1847.

To enable the Commissioners who may be appointed under Act XVI. of 1847 to purchase and hold real or personal property for the improvement of the Town of Calcutta.

Whereas by Act XVI. of 1847, entitled an Act for constituting Commissioners for the Improvement of the Town of Calcutta, partly by appointment of the Government and partly by election of the Rate-payers, provision was made for the appointment and election of such Commissioners, or in default of election, for the appointment of the whole of such Commissioners.

And whereas it is expedient, that provision should be made to enable such Commissioners to purchase and hold real or personal property for the purposes aforesaid in manner hereinafter mentioned.

And whereas it is probable that benevolent and public spirited individuals, with the view of contributing to the improvement and adornment of the said Town may be desirous of settling real or personal property by Deed or Will upon such Commissioners :

I. It is therefore enacted, that the said Commissioners shall be Trustees for and on behalf of the Government of Fort William in Bengal, and of the inhabitants of Calcutta, and shall sue and be sued at Law and in Equity in Her Majesty's Supreme Court of Judicature at Fort William by the name of the Commissioners for the improvement of the Town of Calcutta, and shall have a common seal, and shall have power to take, purchase and

hold lands, tenements, hereditaments, goods, chattels and other property, as such Trustees for the purposes aforesaid.

II. And it is enacted, that whenever it shall appear to the said Commissioners, or a majority of them, that it is necessary they should purchase any houses, buildings or grounds for the purposes aforesaid, the said Commissioners shall represent the same to the Governor of Bengal, and if he shall consent thereto, but not otherwise, shall enter into treaties for the purchase of such houses, buildings or grounds with the owners thereof, and in case they shall not be able to come to agreement with such owners or the amount of compensation shall not be settled by arbitration as hereinafter provided, then the said Commissioners shall apply to the Sheriff of Calcutta to summon a Jury, and the said Sheriff shall forthwith summon a Jury in manner hereinafter mentioned, to assess the price which the said Commissioners shall pay to the said owner or owners for the purchase of such houses, buildings and grounds with all appurtenances as aforesaid.

III. And whereas it is expedient to make provision for those cases in which the said Commissioners may be able to purchase lands, buildings or tenements by agreement, it is enacted, that it shall and may be lawful for the said Commissioners to agree with the owners of any lands, buildings or tenements by this Act authorized to be taken and which shall be required for the purposes of this Act, and with all parties having any estate or interest in such lands, buildings or tenements, or by this Act, or by any other authority or power enabled to sell and convey the same, for the absolute purchase of any such lands, buildings or tenements, or such parts thereof as they shall think proper, and of all estates and interests in such lands of what kind soever.

IV. And it is enacted, that it shall and may be lawful for all parties being seized, possessed of, or entitled to any such lands, buildings or tenements, or any estate or interest therein, to sell and convey or release the same to the said Commissioners and to enter into all necessary agreements for that purpose, and particularly it shall be lawful for all or any of the following parties so seized, possessed or entitled as aforesaid to sell, convey or release (that is to say) all corporations, tenants in tail, or for life, married women, seized in their own right or entitled to dower, guardians, com-

mittees of lunatics and idiots, trustees or feoffees in trust for charitable or other purposes, executors and administrators, and all parties for the time being entitled to the receipt of the rents and profits of any such lands in possession, or subject to any estate in dower, or to any lease for life or for lives, or for years, or any less interest, and the power so to sell and convey or release as aforesaid, may lawfully be exercised by all such parties not only on behalf of themselves and their respective Heirs, Executors, Administrators and Successors, but also for and on behalf of every person entitled in reversion, remainder or expectancy after them, or in defeasance of the estates of such parties, and as to such married women whether they be of full age or not as if they were sole and of full age, and as to such guardians on behalf of their wards, and as to such committee on behalf of the lunatics and idiots of whom they are the committees respectively, and that to the same extent as such wives, wards, lunatics and idiots respectively could have exercised the same power under the authority of this Act if they had respectively been under no disability, and as to such Trustees, Executors and Administrators on behalf of their cestui-que trusts whether infants, issue unborn, lunatics, femmes covert or other persons, and that to the same extent as such cestui-que trusts respectively could have exercised the same powers under the authority of this Act if they had respectively been under no disability.

V. And it is enacted, that the purchase money, consideration, or compensation to be paid or given for any lands, buildings or tenements to be purchased or taken from any party under any disability or incapacity, and not having any power to sell or convey such lands except under the provisions of this Act, and the compensation to be paid for any permanent damage or injury to any such lands, buildings or tenements, shall in all cases be determined by the verdict of a jury to be summoned as hereinafter provided.

VI. And it is enacted, that it shall be lawful for any person seized in fee or entitled absolutely for his own benefit to any lands, buildings or tenements authorized to be purchased for the purposes of this Act to sell and convey such lands, buildings or tenements, or any part thereof, unto the said Commissioners in consideration of an annual rent-charge payable by the said Commissioners, but except as aforesaid the consideration to be paid for the purchase of any such lands, buildings or tenements, or for any damage done thereto, shall be in a gross sum.

VII. And it is enacted, that the yearly rent reserved by any conveyance of lands, buildings or tenements purchased by the said Commissioners for the purposes of this Act shall be charged on the rates hereinafter authorized to be raised and levied, and shall be paid by the said Commissioners as such rents become payable, and if at any time any such rents be not paid within thirty days after they so become payable, and after demand thereof in writing, the person to whom any such rent shall be payable, may recover the same from the said Commissioners with costs of suit by action of debt in the said Supreme Court.

VIII. And it is enacted, that when the said Commissioners shall require to purchase or take any of the lands, buildings or tenements which by this Act they are authorized to purchase or take, they shall give notice thereof to all the parties interested in such lands, or to the parties enabled by this Act to sell and convey or release the same

or such of the said parties as shall after diligent inquiry be known to the said Commissioners, and by such notice shall demand from such parties the particulars of their estate and interest in such lands and of the claims made by them in respect thereof, and every such notice shall state the particulars of the lands so required, and that the said Commissioners are willing to treat for the purchase thereof, and as to the compensation to be made to all parties for the damage that may be sustained by them by reason of the execution of the works.

IX. And it is enacted, that all notices required to be served by the said Commissioners upon the parties interested in or entitled to sell any such lands, buildings or tenements shall either be served personally on such parties, or left at their last usual place of abode if any such can after diligent inquiry be found, and in case any such parties shall be absent from the said Town or cannot be found after diligent inquiry, such notices shall be left with the occupier of such lands, or if there be no such occupier shall be affixed upon some conspicuous part of such lands.

X. And it is enacted, that if the party claiming compensation desire to have the same settled by arbitration, and signify such desire by notice in writing to the said Commissioners before they have issued their warrant to the Sheriff to summon a jury in respect of such lands under the provisions hereinafter contained, stating in such notice the nature of the interest in respect of which such party claims compensation, and the amount of the compensation so claimed the same shall be so settled by arbitration accordingly, but unless the party claiming compensation shall as aforesaid signify his desire to have the question of such compensation settled by arbitration, or if when the matter shall have been referred to arbitration the arbitrators or the umpire shall for three months have failed to make their or his award, or if no final award shall be made, the question of such compensation shall be settled by the verdict of a jury as hereinafter provided.

XI. And it is enacted, that when any question of disputed compensation by this Act authorized or required to be settled by arbitration, shall have arisen then unless both parties shall concur in the appointment of a single arbitrator, each party on the request of the other party shall nominate and appoint an arbitrator to which two arbitrators such dispute shall be referred, and every appointment of an arbitrator shall be made on the part of the said Commissioners under the hands of two of the said Commissioners, or of their Clerk duly authorized by such two Commissioners, and on the part of any other party under the hand of such party, or if such party be a corporation aggregate under the common seal of such corporation, and such appointment shall be delivered to the arbitrator or arbitrators, and shall be deemed a submission to arbitration on the part of the party by whom the same shall be made, and after any such appointment shall have been made neither party shall have power to revoke the same without the consent of the other, nor shall the death of either party operate as a revocation, and if after any such dispute shall have arisen and after a request in writing in which shall be stated the matter so required to be referred to arbitration, shall have been served by the one party on the other party to appoint an arbitrator, such last mentioned party fail within fourteen days after such service to appoint such arbitrator, then

upon such failure the party making the request, and having himself appointed an arbitrator may appoint such arbitrator to act on behalf of both parties, and such arbitrator may proceed to hear and determine the matters which shall be in dispute, and in such case the award or determination of such single arbitrator shall be final.

XII. And it is enacted, that if before the matters so referred shall be determined, any arbitrator appointed by either party shall die or become incapable to act, the party by whom such arbitrator was appointed may nominate and appoint in writing some other person to act in his place, and if for the space of seven days after notice in writing from the other party for that purpose he shall fail to do so, the remaining or other arbitrator may proceed to hear and determine the matters which shall be in dispute, and every arbitrator who shall be so substituted as aforesaid shall have the same power and authorities as were vested in the former arbitrator at the time of such his death or disability aforesaid.

XIII. And it is enacted, that where more than one arbitrator shall have been appointed such arbitrators shall before they enter upon the matters referred to them, nominate and appoint by writing under their hands an umpire to decide on any such matters on which they shall defer, or which shall be referred to him under the provisions of this Act, and if such umpire shall die or become incapable to act, they shall forthwith after such death or incapacity appoint another umpire in his place, and the decision of every such umpire on the matters so referred to him shall be final.

XIV. And it is enacted, that if in either of the cases aforesaid the said arbitrators shall refuse, or shall for seven days after request of either party to such arbitration, neglect to appoint an umpire, any two of the Magistrates of Calcutta shall on the application of either party to such arbitration appoint an umpire, and the decision of such umpire on the matters on which the arbitrators shall differ or which shall be referred to him under this Act shall be final.

XV. And it is enacted, that when a single arbitrator shall have been appointed as hereinbefore provided, and such arbitrator shall die or become incapable to act before he shall have made his award, the matters referred to him shall be determined by arbitrators under the provisions of this Act in the same manner as if such arbitrator had not been appointed.

XVI. And it is enacted, that if where more than one arbitrator shall have been appointed either of the arbitrators refuse, or for seven days after the day of his appointment shall neglect to act, the other arbitrator may proceed to hear and determine the matters in dispute, and the decision of such other arbitrator shall be as effectual as if he had been the single arbitrator appointed by both parties.

XVII. NOTICE.—With reference to the London Post Master General's Notification regarding the rates of postage to be charged upon Letters received from Bombay by the Government Express, which was published with a notice from this Office of yesterday's date, the following Letter since received from the Post Master General of Bombay on the subject, is also published for general information.

Post Master General.

No. 966 of 1847.
General Department.

To W. TAYLER, Esquire,
Post Master General, Calcutta.

SIR,—Adverting to my Letter, dated the 2d instant, I have the honor to suggest for your consideration, whether it would not be advisable to publish a Notice in the Calcutta Papers, intimating to the public generally, especially the Mercantile Community, that, if they desire their Overland Letters, to be forwarded on by the Government Overland Express, they should request their Correspondents to mark "per Express," and to keep within the limited weight of two tolas; and that, meanwhile, until the system becomes generally known, they ought to advise me, whether they wish any of their Letters, not so marked, to be sent on from Bombay by the Express.

2d.—By the last Express I dispatched as usual a number of Overland Letters, not especially marked, because, had I not done so, great disappointment would have been experienced by parties in Calcutta; but I intend to discontinue the practice, after a sufficient time has elapsed to admit of the public becoming aware of the privilege conceded by the Notification of May issued by the London General Post Office, and to dispatch by the Overland Express those Letters only which are so marked.

3d.—The public ought moreover to be most especially warned not to mark "per Express" on letters exceeding two tolas in weight, because such letters cannot be so dispatched. They will invariably be detained (as was the case on the arrival of the last Mail,) for transmission by the post regular dawk, dispatched after the Express.

4th.—I shall feel much obliged by your favoring me with a list of "Newspaper Offices" in Calcutta, and by your informing the parties connected therewith that not more than two papers (whether sent

out from England marked "per Express," or posted in Bombay to go by Express) will, in future, be forwarded by the Government Express. Some of the Newspaper Offices have as many as six Overland Papers marked "per Express," but, as they cannot be so forwarded, it is useless to have them so marked.

5th.—The new rule limits the weight of a Newspaper to 3 tolas, but, if that were acted up to, the Newspaper Offices would be deprived altogether of the privilege conceded by the Notification of May last, as an Overland Paper invariably weighs more than 3 and generally very nearly 6 tolas. I have therefore determined to send two Overland Papers to each Office, without reference to that limit, and shall continue the practice until I receive orders to the contrary from Government or the Home Authorities.

I have, &c.

GENERAL POST OFFICE, MAY 1847.

The Post Master General having been informed by the Court of Directors of the East India Company, that on and after the 1st June next, persons in this Country may forward private correspondence by the Government Express from Bombay to Calcutta and Madras, all persons desirous of availing themselves of this privilege, will be required to mark upon the covers of their letters the words "By Express from Bombay," and in addition to this special address, it will be necessary, that all letters intended to be forwarded by the way of Southampton, should be so endorsed as hitherto; the postage to be charged in India in the delivery of letters sent by this Express will be in addition to the ordinary Inland rates.

One Rupee for every letter not exceeding half a tola in weight.

Two Rupees for every letter above half a tola, but not exceeding one tola in weight.

Four Rupees for every letter above one tola, but not exceeding two tolas in weight, two tolas being the maximum weight of letters to be conveyed by Express.

On Newspapers, each Newspaper Office in Calcutta and Madras, will be allowed to receive two Newspapers at the ordinary rates of Inland postage, on all other Newspapers forwarded by Express a postage of five Rupees each will be charged, and no Newspaper will be received for the Express exceeding three tolas in weight.

N. B. One tola and a quarter is nearly equivalent to half an ounce avoirdupois.

Ditto of Benares ditto, " 760

Total Chests, ... 2,590

CONDITIONS OF SALE.

1st.—The Opium will be sold for Exportation by Sea only, and no Certificate will be granted except to cover such Export.

2d.—The Opium will be ordinarily offered for Sale at an upset price of Rupees 400 per Chest, and sold to the highest bidder above that price, except under the circumstances for which provision is made by Clause 12th of the Conditions of Sale.

3d.—The Sale shall commence at the hour of 11 A. M., and shall not be continued after the hour of 5 P. M.; but if at that hour any of the lots advertised for Sale shall remain unsold, the Sale may

at the discretion of the Board of Customs, Salt and Opium, be resumed on the next day following (not being Sunday or a public Holiday) at the hour of 11 A. M., and so on until the whole of the remaining lots are disposed of; or, if the quantity of 2,610 Chests shall not be sold on the day advertized, the Board may dispose of the Lots which remain on hand at a future Sale.

4th.—Each Lot to contain Five Chests.

5th.—A deposit in a Promissory Note for 25 per Cent. even money of the amount for which each lot is knocked down, shall be made by the purchaser in the Sale Room, and before the lot is Registered in the Sale Book, and all such Promissory Notes shall be redeemed on the part of the Purchasers at this Office, by Sub-Treasurer's Receipts, or by substitution of other Public Securities of the Bengal Government, on or before 4 o'clock of the afternoon of Wednesday, the 1st December 1847; or on the other hand, failing such redemption by the time aforesaid, then the lot or lots for which no Sub-Treasurer's Receipts, or deposit of other Public Securities as aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such conditions of re-sale as the Board of Customs, Salt and Opium, shall see fit, and all loss and expences whatsoever attending such re-sale, shall be borne and paid by the defaulters, whilst any profit accruing from such re-sale shall be forfeited to Government.

6th.—The Promissory Notes taken on the day of Sale, under the last mentioned Condition, if remaining unredeemed on the said 1st December 1847, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

7th.—No Tender of Money, Sub-Treasurer's Receipts or Public Securities, on account of Opium, upon which the prescribed deposit may not have been made before 4 o'clock of the 1st December, will be afterwards accepted.

8th.—The Opium now advertised for Sale shall be paid for within fifteen clear days from the day of Sale, that is to say, no Treasury Receipt will be accepted in payment after 4 P. M. of Tuesday the 14th December 1847, and in case any lots of such Opium shall not be so paid for, and adjusted, then the cash deposit of 25 per Cent. even money of the amount for which each lot is knocked down, or any Public Securities that may have been deposited on account of such lots or chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit, and the first Purchaser shall further be required to make good any loss or difference of price between that obtained at the re-sale, and the amount at which the Opium was first purchased, forfeiting all advantages that may arise from such re-sale.

9th.—Purchasers taking out Certificates or Orders for the delivery of Opium, after making full payment as above prescribed, shall have the option of naming the number of lots of their purchase, which they may desire to be included in each Certificate or Order, and it is to be clearly understood, that the Certificates or Orders so taken out shall be considered final and not afterwards changeable for other Certificates or Orders authorizing the delivery of single lots, or of a different number of lots or chests, whether more or less than the number of lots or chests originally required to be included in each Certificate or Order.

10th.—No Sub-Treasurer's Receipts, or Deposit of Public Securities, under the fifth of the present Conditions, will be received in this Office, except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The receipt for deposit of Public Securities will be granted only in the name of such Purchaser, and the Securities so deposited will be returned when clearance has been made by the said Purchaser or his order.

11th.—The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall, on demand, tender at the time, a deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities, equal to 25 per Cent. even money of the amount so bid.

12th.—With a view to prevent fictitious biddings designed to obstruct the Sale, it is hereby notified, that the Officer of Government Superintending the Sale, shall be competent at any time during the Sale to withdraw any unsold lot, and immediately to put it up again for Sale at a maximum upset price, diminishing the same gradually until a bid is obtained, and the first bona fide bidder for a lot, after it has been offered for Sale in the mode here described, shall be held and declared to be the Purchaser of the said lot, and the Officer of Government Superintending the Sale shall also be competent to dispose in the same manner of as many of the subsequent lots as he may think proper; provided always, that no lot shall be sold below the minimum price of 400 Rupees, specified in the 2d Clause of these Conditions.

13th.—The Purchaser of any lot shall have the option of naming and purchasing in immediate succession any number of lots of the same Agency Opium to the extent of twenty-five lots, and for the lots so purchased, the Purchaser shall deposit or each lot 25 per Cent. even money of the amount bid by him for the first lot, and pay the same price per chest as that for which he purchased his first lot; provided always, that there remain a sufficient number of lots of that Opium to complete the said twenty-five, but not otherwise.

14th.—In the event of any dispute or difference touching or concerning any matter or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the jurisdiction of the said Supreme Court shall be waived.

15th.—The following Papers, together with samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that date, by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1.—Certificate of the Opium now advertized for Sale.

No. 2.—Report of the Examination of such Opium.

16th.—The Public are hereby informed, that in providing the investment of the Behar and Benares Opium for the years 1846-47, the same precautions have been taken as those which have been observed during past years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of leaves used in forming the cakes, and to have the due proportion

of Opium put into each cake. An account of the weight of the Drug when packed at Behar and Benares, and a statement of the average weight of the chests indiscriminately taken for the purpose of comparison from the dispatches on arrival at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium, and further that four chests of Behar and Benares Opium, which have been reserved from the provision of the two preceding years, will be also shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

17th.—Any further information respecting weight or quality of the Opium advertised for sale, that may be desired by parties connected with the Trade will, as heretofore, be furnished to them on application at the Office of the Board of Customs, Salt and Opium; but in accordance with established usage, under no circumstances will the Board entertain or recognize any claim to compensation for loss from any alleged deficiency of weight, abstraction of Opium, or adulteration of the drug which may be preferred in reference to chests after the sale and delivery of the Opium for shipment.

18th.—The Public are hereby informed, that in addition to the quantity above mentioned, the following quantities more or less of Behar and Benares Opium of 1846-47, will be brought to sale in the present season on or about the dates specified below :

19th.—It is hereby further notified, that under the 6th Article of the Convention between Great Britain and France, dated the 7th March 1815, quoted below, the Agents in India of His Majesty the King of the French, or persons duly appointed by them, are entitled to demand that, out of the quantities of Behar and Benares Opium declared as above for sale at the Twelve Sales, in the months of November and December 1847, and January, February, March, April, May, June, July, August, September and October 1848, there shall be delivered to them at the average of the particular Sale or Sales to which the Opium so applied for may belong, a quantity not exceeding in the aggregate 300 Chests, and the Agents of the French Government must make requisition for the whole of the Opium required by them during the season within 30 days after the publication of this adver-

tisement, specifying the particular Sale or Sales from which the quantity of Opium is intended to be taken. If the Agents of the French Government shall not make the requisition for Opium within the time above-mentioned the entire quantity of about 31,315 Chests of Behar and Benares as above estimated will be brought to Sale in the usual manner, and if they shall make application for a quantity of Opium to be delivered to them out of the quantity advertized for Sale at each or any of the Twelve Sales above-mentioned, but shall not pay for it within the prescribed period of payment, the Deputy Governor of Bengal reserves to himself the right of disposing of the Opium which the French Authorities may so fail to pay for either by increasing the quantity reserved at the Sale next ensuing the date of payment, or by selling it at a Sale to be held expressly for the purpose.

“ Art. 6th.—With regard to the Trade in Opium it is agreed between the high contracting parties that at each of the periodical Sales of that Article there shall be reserved for the French Government, and delivered upon requisition duly made by the Agents of His Most Christian Majesty or by the persons duly appointed by them, the number of Chests so applied for, provided that such supply shall not exceed three hundred Chests in each year, and the price for the same shall be determined by the average rate at which Opium shall have been sold at every such periodical Sale, it being understood that if the quantity of Opium applied for at any one time shall not be taken on account of the French Government by the Agents of His Most Christian Majesty within the usual period of delivery the quantity so applied for shall nevertheless be considered as so much in reduction of the three hundred Chests herein before-mentioned; the requisitions for Opium as aforesaid are to be addressed to the Governor General at Calcutta, within thirty days after notice of the intended Sales shall have been published in the Government Gazette.”

By order of the Board of Customs, Salt and Opium,
